

**IN THE UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF ALABAMA**

MARTHA ADAMS, et al.

Plaintiffs,

ALBANY INTERNATIONAL, et al.

Defendants.

CIVIL ACTION NO.
2:07CV 01064-WKW-TFM

**MOTION TO DISMISS AND/OR FOR MORE DEFINITE STATEMENT AND/OR
NOTICE OF "TAG-ALONG ACTION"**

COMES NOW the defendant identified in the Complaint as FMC Corporation, on behalf of its former Construction Equipment Group, former Turbo Pump Operation, and former Peerless Pump and Chicago Pump businesses, improperly sued as FMC Corporation, individually and on behalf of its former Construction Equipment Group, and former Peerless Pump Division, Coffin Turbo Pumps, and Chicago Pump, business, and pursuant to Rules 12(b)(3), (6) and/or 12(e) of the Federal Rules of Civil Procedure, moves the Court to enter an order dismissing the Complaint against it and/or or in the alternative, to enter an order directing the plaintiffs to replead the vague and ambiguous allegations asserted against them in the complaint in a manner that complies with Rule 8(a) of the Federal Rules of Civil Procedure. In support of this motion, the defendant shows unto the Court as follows:

1. The Complaint fails to state a claim upon which relief may be granted.
2. The Complaint is barred by the applicable statute of limitations.
3. The Complaint is barred by res judicata and/or collateral estoppel principles.
4. Venue is improper in this Court.
5. Plaintiffs' claims do not include common questions of law or fact and their joinder

together is improper.

6. Upon information and belief, this case should be transferred to the United States District Court, Eastern District of Pennsylvania, for coordinated or consolidated pre-trial proceedings pursuant to 28 U.S.C. §1407 as a "tag-along action" pursuant to the order entered on July 29, 1999, by the Judicial Panel on Multi-District Litigation.

7. The Complaint fails to meet the pleading requirements of Rule 8 of the Federal Rules of Civil Procedure inasmuch as the Complaint is devoid of any specific allegations of wrongdoing levied against this defendant at any specific point in time. Accordingly, the Complaint as presently pled, is so vague and ambiguous that the defendant "cannot reasonably be required to frame a responsive pleading." Rule 12(e) of the Federal Rules of Civil Procedure.

WHEREFORE, PREMISES CONSIDERED, the defendants move the Court to enter an order dismissing the Complaint against it and/or alternatively to enter an order directing the plaintiffs to replead the Complaint with specific factual allegations which would put the defendant on notice of the wrongdoing alleged against them. Additionally, the defendant requests the Court to take judicial notice that this case is subject to transfer pursuant to 28 U.S.C. § 1407.
